

Renewable Energy: Wednesday 10th June 2009

- 08.30 – 09.00 h** **Registration and documentation**
Narration: **Journalist Mr. Gastón Guido**
- 09.00 – 09.45 h** **Opening Act and discourse by:**
- Ambassador of the Republic of Germany in Argentina, Industrial Eng. Günter Kniess
 - Head of Government of the Autonomous City of Buenos Aires, Eng. Mauricio Macri
 - Señora Presidente de la Comisión de Energía de la Honorable Cámara de Diputados de la Nación, Diputada Nacional Rosana Andrea Bertone
 - Minister of Federal Planning, Public Investment and Nation Services, Arch. Julio de Vido
- 09.50– 10.50 h** **Exhibition panel on public renewable energy policies**
- Eng. Juan José Bertero, Minister of Production of the Province of Santa Fé
 - Dr. Esteban Bullrich, CABA National Member of Parliament
 - Ing. Néstor Callegari, Provincial Director of Energy in the Province of Buenos Aires
 - Mr. Nicolás Scioli, Executive Coordinator of Provincial Body for Sustainable Development (OPDS) of the Province of Buenos Aires.
- 10.55 – 11.25 h** **Coffee Break**
- 11.30 – 11.50 h** **Current situation and perspectives on wind power in Argentina**
- Speech by Mauricio A. Trujillo, Executive Director of Latin America Wind Energy Association (LAWEA)
- 11.55 – 12.55 h** **Exhibition panel on regulating framework, strength opportunities, debilities and threats concerning wind power in Argentina**
- Prof. Dr. Erico Spinadel, President of Argentina Association of Wind Power Energy Vicepresident of WWEA and member of the board of directors of LAWEA
 - Dr. Cristian Sainz, President of Nowa Energía S.A
 - Eng. Eduardo Guerra, Manager of M&B of *Industrias Metalúrgicas Pescarmona S.A.*
- 13.00 - 14.30 h** **Lunch**

- 14.35 – 14.55 h** **The experience of a leading company in European markets as well as in Argentina concerning wind power projects**
Speech by Josep Lluís Cortes Oliva, General Director of Vestas Latinoamérica & Caribe
- 15.00 – 15.20 h** **De Smet Ballestra´s new technological development in biofuels**
Speech by Eng. Alexander Bernas, De Smet Ballestra Austria
- 15.25 – 15.45 h** **Argentina solar map. Potentiality in thermal and photovoltaic energy generation.**
Speech by Jorge Torres, President of *Torres Solar*
- 15.50 – 16.10 h** **Coffee break**
- 16.15 – 16.45 h** **Technological advances in Argentina for the development of renewable energy. The solar energy case study.**
Speech by Eng. José Luis Esperón, INTI Executive Deputy Chairman
Dr. Mariano Mémolli, Antarctic National Director
- 16.50 – 17.10 h** **Photovoltaic electrical energy supply to decentralized populated areas**
Speech by Eng. Victor Santiago Russo, PERMER programme, Renewable Energy Project for Rural Markets, National Energy Secretariat
- 17.15 - 17.35 h** **Hydrogen as an energy vector. Fundamental questions and perspectives.**

Speech by Mr. Juan Carlos Bolcich, President of Argentine Hydrogen Association
- 17.40 – 18.00 h** **Why are first generation fuels not sustainable?
What should policies be developed in the world as well as in Argentina to obtain a sustainable energy matrix in the long run?**
Speech by Mr. Juan Carlos Villalonga, Political Director of Greenpeace Argentina
- 18.00 h** **Closing ceremony**

Biofuels: First day, Thursday 11th June 2009

08.30 – 09.00 h Registration and documentation
Narration: Journalist Mr. Gastón Guido

**I. Opportunities in Argentina.
 Perspective in markets leaders, public, private and institutional sectors**

09.00 – 09.30 h **Incorporation of Biofuels to the Argentine energy matrix. A State policy**
Dr. Javier De Urquiza – Head of Advisors for Biofuels, Ministry of Federal Planning, Public Investment and National Services

09.35 – 10.05 h **Argentine biodiesel industry: Characteristics, perspectives**
Eng. Fernando Pelaez, President of Argentine Biofuels Chamber – CARBIO

10.10 - 10.40 h **Soya cultivation and industrialization in Argentina: Characteristics and Perspectives.**

Speech by Eng. Rodolfo Rossi, President of the Soya Chain Association– ACSOJA

10.45 – 11.15 h. **Coffee break**

11.20 - 11.50 h **Direct sowing and certified agriculture facing the biofuels paradigm.**
Speech by Eng. Sebastián Senesi from AAPRESID

11.55 - 12.15 h **Alternative cultivation for bioenergy production, its potential in Argentina.**
Speech by Eng. Silvia Falasca - National Council of Scientific and Technical Research (CONICET)

II. Competence between food and bioenergy

- 12.20 – 12.55 h** **False dilemma “Food vs. Energy”. A strategic outlook.**
Speech by Eng. Fernando Vilella, Director of FAUBA Agro-business and Nourishment
- 13.00 - 14.30 h** **Lunch**

III. Raw materials. Markets

- 14.35 – 15.05 h** **Cane sugar, molasses and beet markets: Bases and Perspectives**
Speech by Mr. Fernando Nebbia, President of the Argentine Sugar Centre
- 15.10 – 15.40 h** **Vegetal oil and animal fats market: Bases and Perspectives.**
Speech by Mr. Alberto Rodriguez, Executive Director of the Oil Industry Chamber of the Republic of Argentina
- 15.45 – 16.15 h** **Coffee break**
- 16.20 – 16.50 h** **The Second Revolution in the Pampas: An unprecedented competitive step forward for Argentine agriculture.**
Speech by Eng. Héctor Huergo, Head of the editing department of Supplement “Clarín Rural” and President of the Argentine Association of Biofuels

IV. Capital and financing

- 16.55 – 17.15 h** **What are European investors looking for in Argentina?**
Speech by Mr. Christian Langaard, General Director of Eurolatin Capital, London
- 17.20 – 18.00 h** **Panel on financing systems in the Republic of Argentina. Current state.**
- Dr. Sergio D. Galván, External Communications and Economic Research Manager for Banco Santander Rio
- PhD. Martin Grandes, Executive Director for Financial Stability
- 18.05 h** **Discourse about the event by Mr. Peter H. Meyer, President of Survey**
- 18.30 h** **Networking cocktail**

Biofuels: Second Day, Friday 12th June 2009

Narration Journalist Mr. Gastón Guido

V. Technologies and Process Integration

09.00 – 09.20 h **Latest technologies for wide scale biodiesel industrial generation**
 Speech by Mr. Nicolas Thevenot, Sales Manager Axens IFP Technologies, France

09.25 – 09.45 h **Developments of oil and alcohol chemical industry. Perspectives.**
 Speech by Eng. Jorge de Zavaleta, Dow Argentina

VI. Evolution perspectives for international markets

09.50 – 10.15 h **Cereals and oilseed market: Bases and Perspectives.**
 Speech by Dr. Daniel Miró, President of Növitas S.A.

10.20 – 10.45 h **Bioethanol market in the European Union**
 Speech by Mr. Robert Vierhout, General Secretary of European Association
 producers of Bioethanol (EBIO)

10.50 – 11.05 h **Coffee break**

11.10 – 11.30 h **Bioethanol National and International Markets: Characteristics, perspectives**
 Speech by a an expert in this field

11.35 – 11.55 h **Biodiesel global market. Current situation and perspectives.**
 Speech by Lic. Gabriel Orador, President of *Patagonia Bioenergia*

VII. 2nd Generation: Development from biomass and waste

12.00 – 12.15 h **Biomass Gasification. An available efficient alternative for generation of electricity and heat**
 Mr. Luis Monge, TAIM WESER

12.20 – 12.35 h **Biomass Project in the Province of Santa Fe, Republic of Argentina**
 Speech by Eng. Ricardo Viani, Secretary of the Water and Forest systems of
 the Government of the Province of Santa Fé.

BIOFUEL
SUMMIT & EXPO
Biocombustibles Sostenibles
Buenos Aires - Argentina
10-12 Junio 2009

- 12.40 – 12.55 h** **Biofuels from ligno-cellulosic biomass**
Speech by Mr. Claudio Bertelli, Director of UOP
- 13.00 - 14.25 h** **Lunch**
- 14.30 – 14.45 h** **Biofuels from used oils and fats (Multi Feedstock Biodiesel Process)**
Speech by Mr. Jordi Vaquer, Technical Manager BDI Biodiesel International AG
- 14.50 – 15.05 h** **Biogas energy use in Germany.**
Speech by Tobías Winter, a staff member of German-Argentine Chamber of Industry and Commerce

VIII. Biofuels sustainability

- 15.10 – 15.40 h** **The balance of soya biodiesel emission is sustainable. Analysis of life cycle.**
Speech by PhD. Gustavo Collantes, Senior Energy Policy Adviser at State of Washington, Co-Founder at RENERGH SRL
- 15.45 – 16.00 h** **Coffee break**
- 16.05 – 16.35 h** **Agriculture Sustainability in Argentina: Strengths, Opportunities, Weakness and Threats**
Speech by Professor of Regional Ecology at the Faculty of Exact and Natural Sciences of the UBA, Eng. Jorge Adamoli
- 16.40 – 17.10 h** **Project on certification of biofuels sustainability: Current State.**
Mrs. Lucia Muñoz, *International Sustainability et Carbon Certification* Representative in Argentina – ISCC

CLOSURE ACT

- 17.15 h** **Final considerations:**
- Eng. Fernando Pelaez, President of the Argentine Biofuels Chamber
 - Mr. Claudio Molina, Executive Director of Argentine Biofuels and Hydrogen Association
 - Mr. Miguel Angel Bonilla, Director of Survey
